

Factsheet

Specification

Investment goal

The investment goal is to achieve a high asset protection in the medium to the long term, especially when faced with financial and currency crisis as well as tendencies to monetary depreciation. In the interest of the investor, the Fund strives to maintain and increase the purchasing power of the capital invested.

Investment strategy

The SafePort Focus Fund is a fund of funds that invests the fund assets worldwide in investment funds or comparable collective investment instruments. The selection of individual investment funds or collective investment instruments and their weighting is the responsibility of the asset manager.

Specific aspects

Overall, the SafePort Focus Fund's investment strategy aims to achieve a balanced relationship between risk and return by investing in non-correlated investments that can behave independently of each other.
